BLOCK DIAGRAMS

BLOCK ASSEMBLY: *Refer to BLOCK DIAGRAMS*

- Find the center of (1) **D HST** and one side of (1) **A** 6-7/8" square. Place right sides together, lining up centers, pin, then sew and press. Repeat on opposite side using another **D HST**, then on remaining sides using **E HSTs** to complete the **BLOCK**. Square to 9-1/2", being careful to leave 1/4" seam allowance beyond the points of the HSTs, make (30).

QUILT ASSEMBLY: *Refer to QUILT DIAGRAM for proper block placement and rotation.*

- Sew blocks together into rows, then sew rows together.

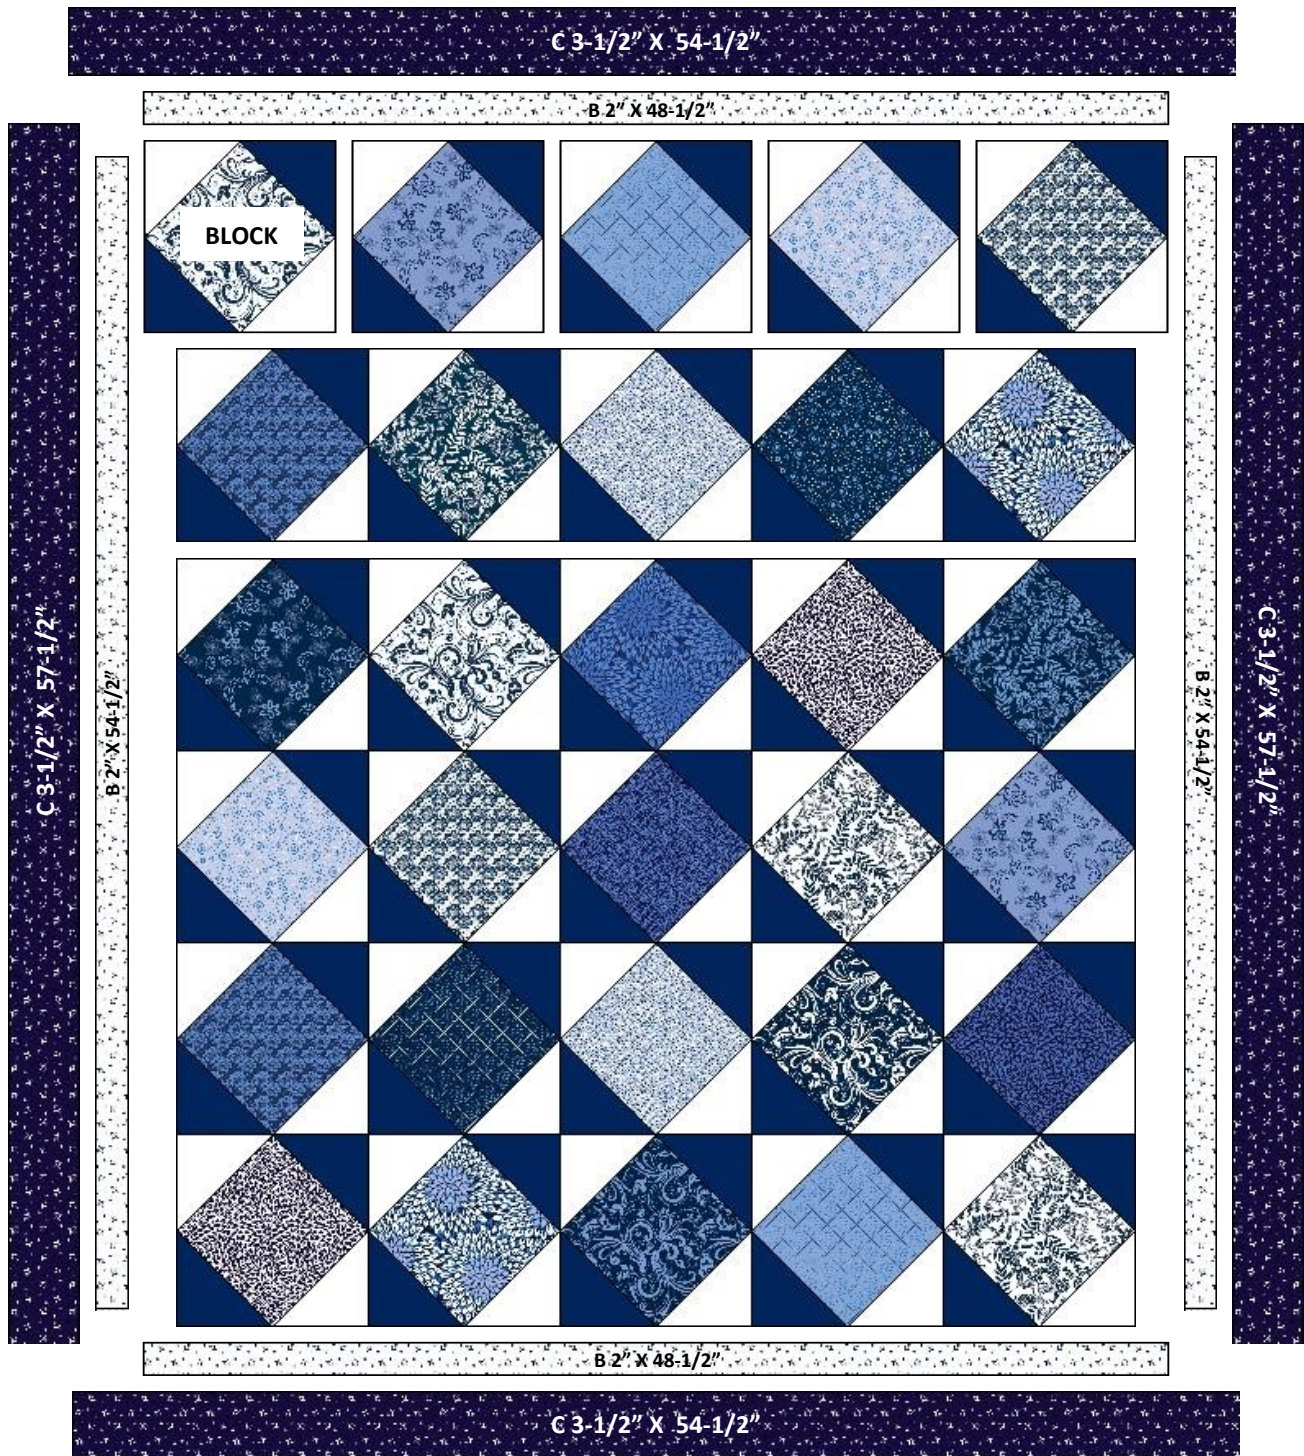

BORDER ASSEMBLY: *Measure width and length of quilt top to ensure border cutting sizes. Below are our measurements*

- Sew (1) **B** 2" X (54-1/2") strip to each side of quilt, then sew (1) **B** 2" X (48-1/2") strip to top and bottom of quilt.
- Sew (1) **C** 3-1/2" X (57-1/2") strip to each side of quilt, then sew (1) **B** 3-1/2" X (54-1/2") strip to top and bottom of quilt.

FINISHING:

Cut batting and backing 3" larger than top on all sides. Layer backing, batting and top together and baste or pin. When quilting is completed, trim excess batting and backing. Bind with **E** fabric.
