### BLOCK ASSEMBLY:

**Note:** Half the blocks will have a white background and the other half will have a print background. Each block will have only (1) print fabric plus white.

1. Cut the white and print 5-3/4" and 4-1/4" squares in half diagonally twice.
2. Sew (2) white 5-3/4" triangles to opposite sides of each print 5" square, centering each triangle on the side of the square. Repeat on remaining sides for a white center unit measuring 6-3/4" square. Make (10).
3. Repeat step 2 with (4) matching print 5-3/4" triangles to each white 5" square for a print center unit. Make (10).
4. Sew (2) print 4-1/4" triangles to each white template #1 centering edges along straight edge for a white corner unit. Make (40).
5. Repeat step 4 with (2) white 4-1/4" triangles to each print template #1 for a print corner unit. Make (40).
